## RUTH RILEY/KYLE MCALARNEY TRAINING CAMP

"Growing up in Indiana, I know firsthand the passion that exists for basketball at all ages, which is why I am thrilled to come back to South Bend. I am also excited to partner with fellow Notre Dame Alumni, Kyle McAlarney. To have the opportunity to give back to the community that supported us through our playing days at Notre Dame is going to be a great thing!!

I am so grateful to the different athletes and coaches who have helped me at different stages of my career, and I am looking forward to sharing my basketball knowledge with the next generation. Rod Creech and MBA are unbelievable at what they do. I have witnessed first hand how hard the MBA staff works to instill the base fundamentals in all players. Not only is the MBA product amazing but the facility, ICE Athletic Center is one of the nicest facilities in the Midwest. Beginners, Intermediates or Advanced players will be welcomed to the Ruth Riley/Kyle McAlarney Training Camp. At camp Kyle and I will put the players through some of the drills that have helped us be able to play at the professional level. I am excited and hope to see all of you December 22nd at ICE Athletic Center!!"

**Ruth Riley**

"For me to succeed in basketball, I had to practice the fundamentals of the game every single day. I am very excited to share some drills, tips, knowledge, and some motivation to the South Bend community. They have supported me throughout my career at Notre Dame, and continue to do so today as I strive for the NBA. Ruth Riley and I will put players through intense drills that emphasize fundamentals. Being players ourselves, we offer a 'game within the game' perspective. We will work as hard as we can to ensure that each player walks away with a better understanding of how to improve as a basketball player.

I am excited that we chose MBA as our host to this camp. Rod Creech and his staff run a very successful basketball training facility. We will look forward to seeing all of you on December 22nd at ICE Athletic Center."
