COACHES QUOTES

Chad Johnston, Washington- "Awesome facility. Competition is the best we have seen from top to bottom. The MSA staff was organized and ready to make sure that our 2 hours there were the best."

Randy DeShone, Jimtown - "Cost is great, staff is organized. The 2 games in one night make's it easy on our players and families. Competition has so many different levels: it really has made our team better. It has been a great experience for our program."

Skeeter Heath, LaPorte - "Playing at MBA is great for LaPorte Girls Basketball because we get to play teams in the league that we do not get to see during the regular season. Rod and Andrew make it easy for us. No hassles, show up and play."

Marty Harshman, South Bend St. Joe - "The MBA high school boys' basketball league is very organized and offers a variety of great competition for all three levels of play. The league helps our players stay focused and enthusiastic during the off season. It gives our coaching staff a chance to explore new ideas and our players sense of how they measure up against area talent."
